

Digital Power Forum '06

September 18 – 20, 2006

Renaissance Dallas Richardson Hotel

Exhibitor Prospectus

Admission to the Digital Power Forum Exposition is FREE to all delegates!

Darnell's Digital Power Forum is the hottest new conference. As the fastest-growing power electronics conference in the world, the Digital Power Forum is creating a growing BUZZ in the industry!

Our Delegate Quality is better than any other power conference; no students, no professors, no "tire kickers," just executive management, engineering management, top engineers, financial analysts and other thought-leaders looking for the latest advances in power electronics technology. As an exhibitor, you will have extended time to spend in quality discussions with conference delegates.

- Digital Power technology presents Unlimited Potential.
- But the Digital Power Forum has Limited Exhibition Space.

Focused Exhibit hours will maximize your efficiency and the addition of food and drink during the exhibits ensures that the Exhibit Hall is THE place to be during exhibit hours.

Exhibitor Benefits

- Exhibitors will enjoy high-quality, one-on-one discussions with key technical personnel from leading companies in the digital power industry.
- Exhibitors are the only ones to receive the complete list of delegates to the Digital Power Forum, including all contact information.
- Exhibitors will enjoy high visibility in the Exposition Directory.

Exposition Hours

- Monday, September 18, 5:00 PM – 7:00 PM (Welcome Reception in the Exhibit Hall)
- Tuesday, September 19, 12:15 PM – 2:15 PM (Lunch served in the Exhibit Hall)

Exposition Directory

An Exhibitor Directory will be given to every delegate as they sign in at the conference. The Directory will include a complete listing of Exhibitors, description of products being Exhibited, Exhibitor contact information, Exhibition hours, and a map of the Exhibit Hall.
